WORK EXPERIENCE

Link Group / UX Designer

JUN 2018 - PRESENT, SYDNEY

Link group build and administer financial solutions within corporate markets, superannuation and shares. In a team of two, I deliver UX across a range of high-volume products.

- Led design phases for a 300+ screen white-label mobile app to serve superannuation members, working with PM's & developers.
- Designed user-flows & wireframes for internal projects. e.g. a sales portal, 2-factor authentication & admin workflows.
- Designed client websites: IA, wireframes & style guides.
- Streamlined a major internal process to save time & costs.

BEcoME. / UX Designer (Contract)

FEB 2018 - MAR 2018, MANLY

BEcoME. is building a paradigm-shifting career exploration app. I absorbed pre-existing research & rapidly generated UI concepts to give form to digital touchpoints for students.

- Workshopped personas & mapped user journeys with stakeholders.
- Conceptualised features, pages & flows to kick-start their design process, utilising a blend of proven and purpose-built patterns.

ProAuto Group / UX Designer (Contract)

NOV 2017 - MAR 2018, CAMPBLETOWN

ProAuto is a group of automotive dealers re-imagining day-to-day processes with technology. I owned the design process, from discovery to testing, of an application that supports the road-to-sale & generates useful data.

- Mapped internal processes through interviews, contextual inquiry and reviewing documentation.
- Analysed competitors & comparators to determine value prop & define potential business models.
- Prioritized features for MVP, then made wireframes and clickable prototypes incorporating periodic testing, feedback & iterations.
- Crafted service blueprint & gave presentations to sell the design & outline next-steps.
